### **“God’s Design for Women” Week 2**

#### **Preferred Questions:**

\*These questions are personal. They target the heart and put healthy responsibility on your group to spend time with God and seek the Lord.

Take turns, Go around and have each person answer all 3 questions.

1. How are you doing spiritually? (SPIRITUALLY!!!)
2. What’s one thing that stuck out to you from Genesis 1:26-31 or in the sermon? Why?
3. What’s one thing (sin) you’re struggling with right now that we can pray for you about?

For the first two weeks in this series it may be good to divide the group into guys and girls. This will help the men and the women go deeper in conversation concerning biblical manhood and biblical womanhood.

#### **READ Genesis 1:26-31**

In This passage, we see that women (and men) are made in the Image of God! It is in a relationship with God that we find our value and purpose in life. This passage reveals that women are just as valuable and have just as much purpose as men! We are equal in value but different in role! This is just a small passage in light of the entire bible that speaks to the value and purpose of women in the world and in the Church!

#### **Questions For The Women:**

- What are some of the biggest misconceptions about womanhood in the world today?
- How do you prioritize the spiritual health of your household?
- What are some things that you prioritize over being a biblical woman that you need to give up?
- Read Titus 2:1-5 The mature Christian woman! She is reverent in how she lives. She Fights sin. She is a disciple-maker. She is pure & self-controlled. She is Kind! Which one of these characteristics do you lack the most? What’s your next step in being the woman that God is calling you to be?
- How have you seen others (and yourself) struggle with being a biblical woman?
